MEN'S MINISTRY

CALLING ALL MEN - MISSION / SERVICE PROJECT

Saturday morning, October 6, the men of Melbourne Heights will serve a pancake/sausage breakfast for the men at Jeff Street Mission.

And we need help! Would you join us and meet at the Church bright and early that Saturday morning and go with us to serve breakfast? Our plans are to leave MHBC about 5:30 AM and go to Jeff Street and be prepared to serve breakfast at 7:00AM.

See Bob Sutton, Bruce Jones or Paul Marquess for more details. Come join us for this important Men's Mission/Service project.

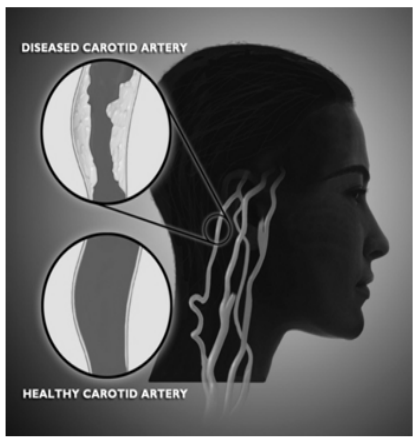
Your Health is in Your Hands

Every 40 seconds someone suffers a stroke.
Every 3 minutes someone dies from one.
You have the power to take control of your health.



We are pleased to announce that we will be offering ultrasound screenings to scan for Stroke, Vascular Disease and Osteoporosis. These simple non-invasive tests detect abnormalities BEFORE they cause a stroke or other serious event.

Screenings for Atrial Fibrillation (irregular heart rhythm) and Blood tests for complete lipid panel, high sensitivity C-Reactive Protein* and diabetes are also offered. These are all health factors that put us at higher risk of developing vascular and heart disease.

In conjunction with the Helping Hands program, Life Line Screening is proud to offer us $10 back for every member who signs up and attends this screening. To help us, while bettering your own health (and receiving your own $10 discount), please register for the screening now.

More information at the Visitor's Center.

*Blood not offered in every state. Specific blood offerings vary by state.
