YOUTH GROUP SCOOP

Cindy Bridges

I confess…I am a nerd, a geek, however you say. I am one. There I said it! *Phew!*

When I served overseas, my prayer was to be able to talk fluently to everyone I met. This desire burned even deeper as I worked with internationally students in Northern Kentucky. I wanted to talk to each student in his or her heart language. At times I would get so frustrated because I was faced with the sad reality that I could not speak to each student in his or her own language. Although I know enough Spanish and Swahili to get me in trouble (as they say), I realized that I was only fluent in English.

I still have this desire. The nerd in me wants to learn all the languages in the world which is an impossible task. There are over 520 languages spoken in Nigeria alone. Although this task may never be accomplished, my heart is in the right place. God reminds me that His love for us knows no barriers and my desire to speak to people in their own heart language is admirable. I need to be speaking to people in God's heart language.

In the words of the Psalmist, "*May Your unfailing love rest upon us, O LORD, even as we put our hope in you.*" And Lord, may Your unfailing love rest upon us as we share your hope and love with others.

2007 Habitat Goal = $2000

Our goal for Habitat for Humanity is $2000 again this year. Our Church and other Baptist churches will raise money to build a house in the Park Duvall area for a deserving family. These houses are called Baptist Houses by Habitat.

Make your check to Melbourne Heights and mark Habitat in the memo section. Put it in any envelope and mark it Habitat. You will hear more about it in Church during the month of February.

Dear Friends,

Bill and I want to thank you for all the cards and calls and "hugs" from our church members. Separation from such a talented grandson in death is indeed untimely but with hope on the other side. May God continue to bless this family as well all work together for Jesus our Lord.
