I really love my "comfort zone." You know...it's doing what you love to do and knowing that you're good at it. It's just so, well...comfortable! The only trouble is that when I'm there, I'm not really challenged to change or grow or learn. I'm just there...being comfortable. Change is hard. Being uncomfortable about something new is hard. But I believe that God wants us to change and grow and learn each day. Romans 12:2 commands us "...do not be conformed to this world, but be transformed by the renewing of your mind..." In one of the Bibles I use with the preschoolers, this verse says, "...don't live the way the world lives. Let your way of thinking be completely changed." That doesn't sound too "comfy" to me...but God doesn't call us to be comfortable. He calls us to change. And only when we renew our minds and change our way of thinking can the rest of the verse be accomplished, "...THEN you will be able to prove what God wants for you, and you will agree that HIS plan is good and pleasing and perfect." Find a way to step out of your comfort zone each day!

**Be a Souper Person!**

We are collecting cans of soup for the Owsley County Food Place in Booneville, Kentucky. We ask that you donate cans of soup every time you come to church in January through "Souper" Sunday, February 3.

On "Souper Sunday" we challenge you to bring a dozen cans of soup. Please bring soups that are easily prepared to eat from the can instead of cream types used in recipes. Collection boxes are in the Atrium.

**Souper Sunday, February 3**

The Faith Singers from the Frankfort Career and Development Center will be in our morning service with testimony and music. We will follow the service with a potluck "Soup, Sandwich and Sweets" lunch. Sign-ups for the meal will be provided in the Atrium. There will be no evening activities and we encourage Sunday School classes to plan fellowships.
