March Madness is in full swing! Many people are glued to their TVs in hopes that their team will advance to the next round. Some are disappointed because their team lost in the first round. Others will eventually be disappointed because their teams will have lost in future rounds. It is inevitable, though, because only two teams can make it to the final round and only one team will be the champion.

Isn't it interesting the things we put our hopes in such as people, cars, the economy, and even computers. These things will disappoint us at some point in time. For those of us who have faith in Jesus Christ, we have hope in something that will never disappoint us—God. Romans 5:1-5, Paul reminds us of this hope. *"Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we rejoice in the hope of the glory of God. Not only so, but we also rejoice in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not disappoint us, because God has poured out his love into our hearts by the Holy Spirit, whom he has given us."*

So even if your favorite basketball team doesn't make it far in the tournament, remember that we have a hope in God that will never disappoint us! Therefore we are champions every time!

Smoky Mountain Trip Planned

Would you like to spend two days in the colorful Smoky Mountains this fall? The senior adults have talked with a tour company, and for \$280/person we will be able to see three shows including "The Miracle," visit Dollywood, craft shows, and have time to shop in Gatlinburg. Your motel room and four meals are included in this price. We are planning this trip for October 14-16, 2008 and there are 40 available spots. All church members and friends are invited. If you are interested, please see Derita Tharp as soon as possible for more details.
