**REVIVAL:** renewed attention to or interest in something; a new presentation of some thing old. This word "REVIVAL" keeps popping up in my reading, my devotional time, and in Bible study. I do not believe in coincidence...I believe that whenever some thing keeps presenting itself to me, God is working on my heart and wants me to take notice. In talking with some fellow Christians and members of MHBC, they shared that they've been feeling a great need for revival. It seems God has been working on them, too! Coincidence? No Way! I think God is talking, and we better listen! Our church, this precious body of believers God has placed together in a building that sits on Taylorsville Road, is in need of (and maybe even overdue) a REVIVAL. We have a new leadership team, a restructuring of how we get things done around here. We are trying a new summertime schedule to bring in new people and reach them for Christ. We have a new women's ministry that has already brought together many ladies in our church. We even have new babies in our midst! If there was ever a time for God to do "a work" in us, to move through us as a body of Christian believers, my precious friends, I think it's now! Whether each one individually seeks revival in their own hearts, or if God moves us as a church to have a corporate revival, we must listen and obey!

It's not too late to sign up for the Gatlinburg trip. Tanya says we really have a treat in store to see *The Miracle*. "What else can be said about the birth of our Lord and Savior in song and drama other than *The Miracle*. Words are difficult to find to describe the amazement we felt by the talented actors and musicians who brought this production to life. Not only were there live animals and awesome singers, there were angels flying overhead. We loved it so much..." The deposit is due June 8. Meet in Rogers Hall after church.
