A Note From
the Minister
of Music

Leslie Brockelsby

Well summer vacation is past and as such the choir has resumed its Wednesday night rehearsals. The time and location have changed slightly though, we are now meeting from 7:30-8:30 on Wednesday nights in the Sanctuary. Last week we listened to and chose the piece that will be this year's Christmas program. It is another beautiful work entitled "The Christmas Offering" and will be little different from the ones we've done the past few years, as it will have drama as well as music. This year's production will be a joint effort of both the Adult choir and youth and hopefully it will also include many of our other ministry teams. We continue to invite any and all who would like to be a part of the choir to join us each week as we rehearse.

In Christ,

Leslie

We would like to thank you for your prayers and encouraging words. Judy Hopkins was a brave and beautiful person. We are happy to know that she is with God. Her suffering has ended, but not her memory or testimony to others. Love, Tim, Loretta, Max and Mady Hopkins.

Great Fall Discipleship Academy Classes!
Our Fall Discipleship Academy will begin with a dessert fellowship on Sunday night, September 7. At that time each of the following adult study groups will be introduced. The *Old Testament Bible*

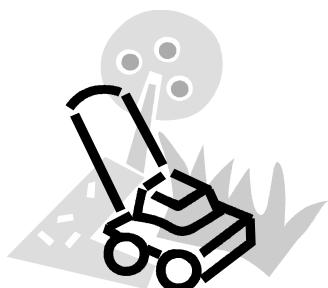

study and the Study for Midlife Adults will be offered at 6:30 on Sunday nights beginning September 14. The **Leadership Training** will begin on Tuesday night, September 16. You will have an opportunity to take one of the Sunday night groups and also the Tuesday evening leadership group if you desire. Below is a description of each group:

Entering the Old Testament, taught by Bob Sutton. This study of Hebrew scripture builds on daily Bible readings of 10-15 minutes, five days per week, followed by a weekly discussion on Sunday night. You will use a workbook (\$10) and utilize personal reflection and meditation on the scriptures as a means of Bible study. *Sunday nights at 6:30*

Forty-Sixty: A Study for Midlife Adults Who Want to Make a Difference, taught by Bill Shoultz. You will work with 10 issues faced by adults during their midlife years such as Aging Parents, Losses, Death, Retirement, and Myths and Realities of Midlife and Aging. The small group studies will also discuss scripture which applies to issues we face in this stage of life. A study book (\$10) is available for more in depth personal growth. *Sunday nights at 6:30*

Church Leadership Toolbox, taught by Ken Orr. This "wrenches in the trenches" approach to church leadership will teach you to make all those great leadership tips actually work for your committee, ministry group, or church organization. This is a series of practical hands-on exercises and Biblically based training sessions designed to teach you how to be an effective church leader. So grab your hard hat and get out your grease rag as we get down to the "nuts and bolts" of doing church leadership right! *Tuesday nights, 7:00-8:15*

Church Directory Update

It was determined this past week that the reason our church directory has not been completed is due to a computer compatibility issue. While the Communications Department of Olan Mills was telling us by phone that they had received the materials and that the directory was "in production," the Production Department was not actually receiving the materials as they needed them for completion. The issue was related to a technical conflict between the computer from which our materials were being sent to Olan Mills and their computer. We were not being given any indication that they were not receiving the final copies of the layout. We are not permitted to update or delete any of the pictures that will be in the directory. We will be allowed to submit an updated church roster for the back pages of the directory. We apologize for the delay and will keep you posted concerning the process of the directories.
