

# Thank You!

Thank you, dear friends, for the wonderful time Sunday evening. Nancy and I do so very much appreciate how you have expressed your love and gratitude. The beautiful and bountiful table of food, the notes and cards, the words and hugs all washed over us like "showers of blessing." Receiving us into this warm and caring family of faith is an experience for which we are deeply thankful. "Peace be with you, brothers and sisters, and love with faith, from God the Father and the Lord Jesus Christ."

(Eph. 6:23)

*Angie Fattal*

Larry Perkins, 459-8678

Leslie Brockelsby

Well it's that time of year again. As summer vacation ends and school begins again, so too the choir has resumed its weekly rehearsals. Rehearsals are still from 7-8 on Wednesday nights in the Sanctuary. The choir has chosen and will soon begin to learn this year's Christmas program "O Holy Night." We also continue to spend our time preparing music for upcoming Sunday morning worship. It is an exciting time in the life of MHBC and the choir is just one of the many ways you can be active in our ministries. We continue to invite any and all who would like to be a part of the choir to join us each week as we rehearse.

In Christ,

*Leslie*

### August Prayer Emphasis

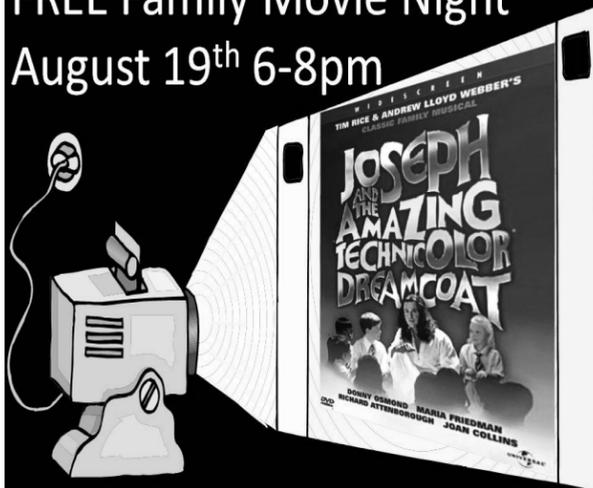

DEACONS

During the month of August, the deacons are encouraging everyone to be in prayer for those who are returning to school this fall. (Yes, that is right around the corner!) Many changes and many challenges take place when a new school year starts. That is equally true for students as well as for teachers and other school staff (and parents too!). The start of a new year can also bring about spiritual changes as new ideas are encountered and new people and new activities become part of the daily routine. Some of these changes and influences can be positive, but some can be negative. Please be in prayer for all those whose lives are affected by the changes that take place in a new school year – in particular that a relationship with God will survive and thrive in the mix.
