SUNRISE Children's Services

On Sunday, August 4, we began collecting back-to-school supplies to benefit Sunrise Children's Services.

We are collecting 2-pocket folders and loose leaf paper throughout the month of August to help the children and youth at Sunrise begin the new school year on the right foot.

Sunrise Children's Services ministers to nearly 2,000 children and youth across the state who have been abused and neglected, and they need your help to make sure each child has the school supplies they need for the upcoming year. Please consider making a donation in August.
