Help Us Replenish the Emergency Fund!

Emergency Fund

The month of September has five Sundays and on the fifth Sunday we traditionally receive an offering above the regular tithes and offerings that goes into the Emergency Fund. We use this fund to help cover the cost of unexpected repairs to the building, maintenance, etc. Currently we have \$4,859.03 in our Emergency Fund. Please prayerfully consider how you may contribute to this fund on September 29th.

Thanks!

It's hard to believe that the month of September is already more than halfway over and that the beginning of our new church year is less than two weeks away. And whenever a new church year is on the horizon, things can get awfully busy. Over the next few weeks there is plenty of business to attend to. There is a budget to discuss and vote on, and deacons to ordain and commission into service. But in all of the busyness at the end of this church year, there is one important event coming up that I don't want you to miss out on.

On September 29th, during our morning worship service, I'll be delivering my second annual State of the Body address. In case you missed out on this address last year, or have simply forgotten about it over the last year, the State of the Body accomplishes three things. First, it evaluates the health and status of our congregation. Second, it gives us the chance to reflect back on the year that was. And finally, it challenges us to look forward to the year to come.

It is easy to see that God has been at work in our congregation over the course of the last year. It should also be easy to see that God has plans for our future. So make sure to join us on September 29th as we celebrate all that has happened in this place over the last year, and as we look forward to what the new church year may bring.

Dear Church Friends: I would like for everyone to know I really appreciated the reception you had for me. Everything was very nice. I will never forget it. I loved the music, food (with a beautiful cake), the speakers, roses, U of L photos and everything. I will miss Sunday school and church services but will be thinking of you all and stay in touch. Thanks again.

Love,

Vi

Join us this Saturday, September 28th, for a day at the Louisville Zoo.

The park opens at 10am and closes at 5pm, giving you plenty of time to visit the lions, and tigers, and bears...oh my! Just make sure to stop by the Island Cafe between 11:30am and 1pm for lunch provided by the church. It's not too late to make plans to join us for this wild time, even if you didn't sign up you can always buy tickets at the gate.

 Yew Dell Gardens
WOMEN'S MINISTRY TOUR

Sunday Afternoon Sept. 29th at 12:30 pm

Join us for a 45 minute guided, walking tour of the beautiful Yew Dell Botanical Gardens, Crestwood, Ky. Bring a sack lunch for a group picnic in a beautiful and serene setting. (Picnic tables are provided.) Golf carts (and driver) are available for those unable to walk the tour. Look for the orange sign-up sheet, posted on the bulletin board in the Atrium. Cost for the tour is \$5.00. A gift shop is available, if you wish to purchase that "special gift" to remember your trip. We will carpool from the church. You may want to set your driving or riding plans prior to the day of the trip. We would love to share this event with as many members and non-members as possible. Look around, notice who's missing and contact them!

Thank you to everyone who made last week's church-wide yard sale a huge success. There's no way we could ever thank everyone enough for the donations they made or the hours they volunteered to help sort, price, and sell all of the items we received. But we do want you to know that we could not have done it without all of your help. Together we raised \$1,264.74 that we'll use for a future renovation of our property and space.
